## Big Tech Quiz

### About

The Big Tech Quiz would be conducted in two rounds - **The Preliminary round** and **The Final round**.

In the Preliminary round, participants, in **teams of two** would compete to come in the top four. This round would be hosted on **Kahoot!** App. It would be a live quiz event containing 25 questions with a time limit of 30 seconds for each question. Each question holds 5 points. A quiz code of the event will be provided. Top 4 teams will qualify for the final round.

Then, there will be the final round, where the top 4 teams will compete against each other. This round would be divided into five sub-rounds with a wide variety of questions. A quizmaster would conduct the quiz.

Questions will be consisting of tech, basic programming, computers and everything else that excites the geek in you.

### Rule and Regulations

- All the teams must have the Kahoot! App installed on their respective devices for the Preliminary Round.
- No systems will be provided by the Institute and each team would be allowed to use **ONLY ONE DEVICE** for the prelims.
- Any kind of disturbance or use of unfair practices by a participant will not be tolerated and will result in immediate disqualification.
- No doubts during the event will be entertained.
- In case of any dispute, the decision of the organizers will be final and binding.

Note:- In case of a tie among the teams their ranks in the preliminary round will be taken into consideration.
