

Cerebro 2020

Tech Hunt

About

Technical Treasure Hunt, one of the most exciting events of CEREBRO, would be based on various aspects of programming, crypts, technology, logic, pattern finding and hunting for the clues. The event will be a **multi-stage event**, (at least 3 stages) with successful completion of a stage leading to the next stage (plus a bonus stage unlocked with hints hidden in each stage) with answers in the form of any technical glitch, error, anomaly, logic. It will be a **team-based event** of 5 members.

Rule and Regulations

- Only 1 member has to register on behalf of a team.
- A team must contain 5 members.
- The time limit of the event is 120 minutes.
- Only one Smartphone is allowed per team during the event.
- Teams will be registered on First Come First Serve criteria.
- Registration will be confirmed only after reporting to event coordinators on the day of the event.
- Any kind of communication with other teams' members will lead to disqualification.
- 1 PC will be provided to each team with uninterrupted internet access, use it wisely.
- On reaching every correct checkpoint, your team will be awarded points based on the round.
- Every 404 error will lead to deduction of points.
- Any activity that is against the decorum and dignity of the event or the Tech Fest will lead to immediate cancellation of the candidate and her/his team from the event/fest.
- Any damage to hardware/software provided to your team may lead to disqualification and payment of damaged cost.
